Mr.....

Dear Sir:

The very high prices of provisions, fuel, light, and all other necessaries of life, render a further advance in the Terms of our Institution a matter of absolute necessity. During the present session the Boarding department has been carried on at a very considerable loss, and hence we **must** increase the charges.... The Terms for Board, Washing, &c., will hereafter be **sixteen dollars per month,** or forty-eight dollars per Quarter, Tuition remaining the same as heretofore, i. e., four dollars a month. This will make our Terms for Board, Washing and Tuition be **sixty dollars per quarter** or one hundred dollars for a session of five months.

The new rates will be charged on all quarters falling due after December the 31st. There will be no changes in the Terms in other respects.

Very Respectfully, &c.,

Robt. De Schweinitz.
